## Snow Removal

A snow begins to fall please make sure the snow you remove is not placed on the street after the staff have cleared the road, as they won't be back to clear it.

Our snow removal process is to pile all the snow into the middle of each street, then haul it away. Please be patient, we will get to your street.

## Winter Safety

Remember when going for walks this winter season to dress warm and wear appropriate footwear.

Also be aware of your surroundings and watch out for ice and slush. When encountering an icy patch do the “Penguin Walk”! Take your time, keep your arms out at your side rather than in your pockets and take small steps close together! With your hands in your pockets, you can't use your arms to balance yourself, and taking large steps reduces your center of gravity, making it easier to slip.

# Lipton Volunteer Fire Department

This past summer our fire department was the very lucky recipient of a grant from My Mutual Insurance. Thanks to their generosity the department received three brand new bunker suits. LVFD then used funds from fundraising efforts to purchase three additional sets of gear, meaning we can now outfit six of our volunteers in brand new suits!
