## Lipton Volunteer Fire Dept.

### SCBA Training

There was a training day on March 22, led by Kaleb from Quint Services to allow members to practice speed drills for dressing in a bunker kit and breathing apparatus, knot tying and search and rescue.

A big thanks to Kaleb and Reagan Coppicus from Quint Services for sponsoring this training. Lipton Skating rink provided the space and Greg and Joye Schoonbaert and Corinne Hilliar provided nutrition breaks.

### Tournament Success

The Fire department Fishing Tournament was a huge success! THANK YOU to everyone that attended. We had 43 teams, 85 fish caught.

Thank you to everyone who helped make the fundraiser possible – volunteers including our crew for working through the day, Lipton Mud Bogs for donating the BBQ and Prairie Co-op for donating to our canteen.

See you next year!

PARKLAND  
REGIONAL  
LIBRARY

Lipton Branch

## One Province, One library card

One library card provides residents of Saskatchewan with easy access to materials held at over 300 public library branches across the province.

Every year, thousands of library patrons located in both central and remote communities take advantage of the easy-to-use province-wide catalogue and the cooperation between public library systems to seamlessly request, borrow, and return items from anywhere in Saskatchewan.

### WHAT DOES THIS MEAN FOR ME?

As a resident of Saskatchewan you have fast, convenient, and equitable access to public library services and materials.

- Public library holdings for the entire province are accessible anywhere through an online catalogue.
- You can request to have materials from anywhere in the province delivered to your preferred library location, such as the branch closest to home or work, and return them to whichever library is most convenient when you're finished with them.
- With your library card, you have 24/7 access to a province-wide collection of digital library materials from any computer or mobile device with internet access.
- You have the option of managing your library account and renewing materials online and can receive email, telephone, or text notifications regarding the status of your materials.
- If you can't get to the library personally, you have the option of either linking your account permanently to a friend or family member to allow them to pick up your holds at any time, or of temporarily transferring your card so they can sign out materials for you.

## Noise Bylaw

Summer is on the way! Everyone is excited about completing construction projects, working in their yards, riding quads, playing music and finally being able to get some sun. While doing so, please keep in mind that the Village has quiet times where excessive noise is prohibited as per Bylaw 2018-24:

**Between 10 p.m. and 7 a.m. on a weekday**

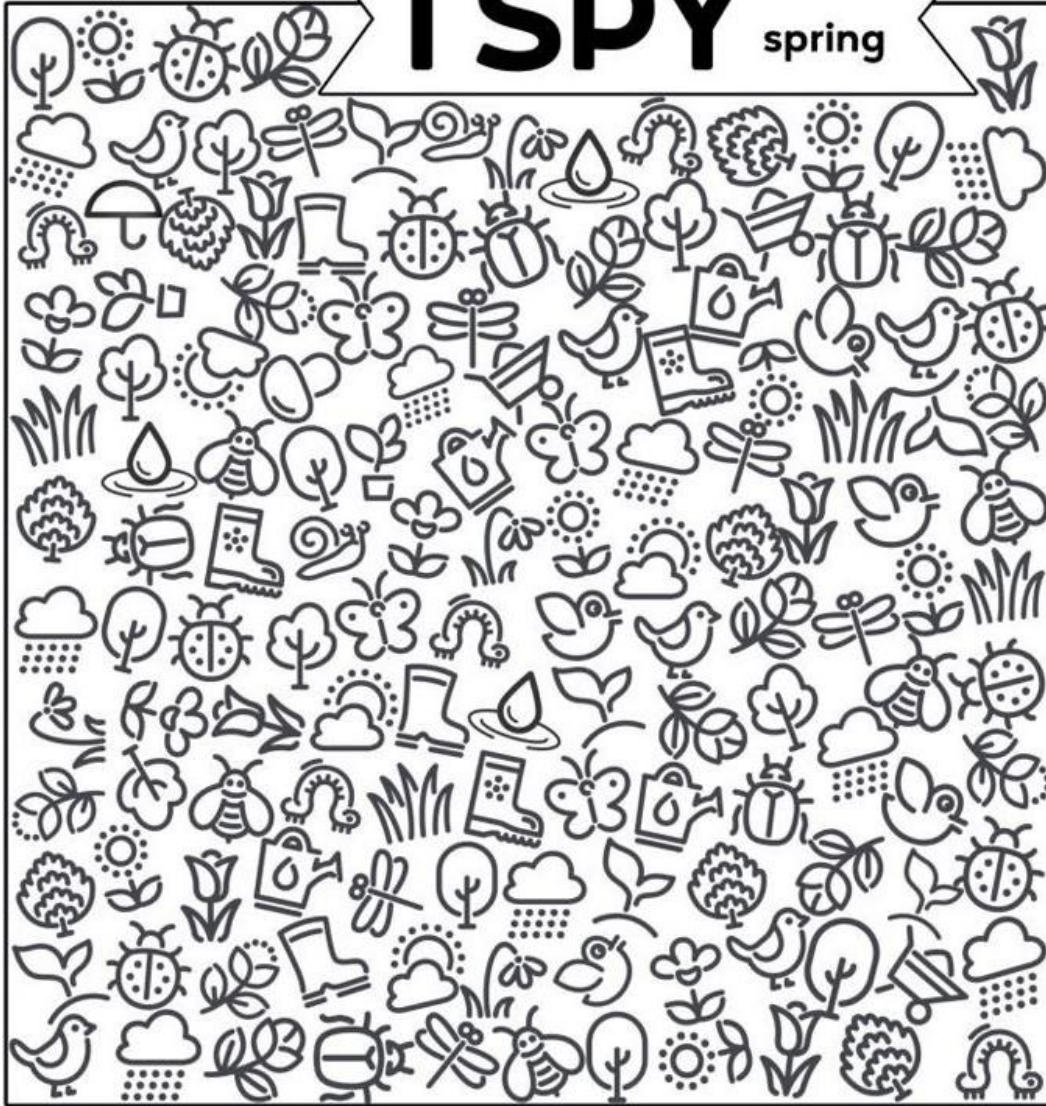

**Between 10 p.m. and 8 a.m. on a Sunday or Holiday.**

## Downspouts

Please be a courteous neighbour and watch where you place your downspouts so as to not flood your other resident's yards.
