

Village of Lipton

June 2022

Key FOBS for Truck Fill

The Village of Lipton offers water FOBS. Instead of keeping a pocket full of coins for when it's time to haul water, you can keep a FOB on your keychain. Payments can be made by cash, cheque, or E-transfer. Your usage can be monitored by email, and information is readily available when needed. It's even printable if you need a receipt. There is a \$30 deposit required for the FOB. Contact us with any inquiries.

NOISE BYLAW

Summer is finally here! Everyone is excited about getting out in their yards and completing all the projects that got put on hold during winter.

While you are doing so, please keep in mind your neighbors may not appreciate loud noises at inappropriate times. We have Noise Bylaw 2018-24 in place that it restricts the hours you can make excessive noise. Please try to be mindful to everyone and respect the following quiet times:

**Between 10:00 p.m. and 7:00 a.m.
on a weekday
- And -**

**Between 10:00 p.m. and 8:00 a.m.
on a Sunday or Holiday.**

To see the full bylaw please visit our website at
www.villageoflipton.com

Do you have something to add to the newsletter? Contact us!

Construction Code Act Changes

There is a new *Construction Code Act* that provincial building inspectors (PBI) will be following. A copy of it is available online. An updated section of *The Construction Code Act* requires all residential dwellings (new or existing) to have smoke and carbon monoxide alarms installed by July 1, 2022. For further reading visit www.saskatchewan.ca/btstandards.

Specific to smoke alarms:

- They are required: on each story, in each sleeping room, and in hallway within 5m of bedroom doors
- Buildings constructed prior to June 6, 1988 can have battery operated smoke alarms, must be 10 year sealed battery units
- Buildings constructed after June 6, 1988 must have smoke alarms hard wired and interconnected so that all alarms will sound

Specific to carbon monoxide alarms:

- They are required if the dwelling contains a fuel-burning appliance or a garage
- They are required: in each bedroom or within 5 m of each bedroom door
- Buildings constructed prior to October 1, 2009 can have battery operated carbon monoxide alarms, must be 10 year sealed battery units
- Buildings constructed after October 1, 2009 must have carbon monoxide alarms hard wired and interconnected so that all alarms will sound.

THIS INFORMATION COMES FROM DIRECTLY FROM PBI
PROFESSIONAL BUILDING INSPECTIONS, INC.

Old Permits

PBI has been working hard to clean up old and expired permits. In order to get them handled quickly they are charging extra fees for each additional inspection and report that must be preformed on a project.

Please try to get your permits finished and closed to avoid incurring added costs.

Open to all!

Alvin Wesley Senft

was born on September 5, 1949 in Balcarres, Saskatchewan and passed away on Sunday, May 15, 2022 in Fort Qu'Appelle, Saskatchewan.

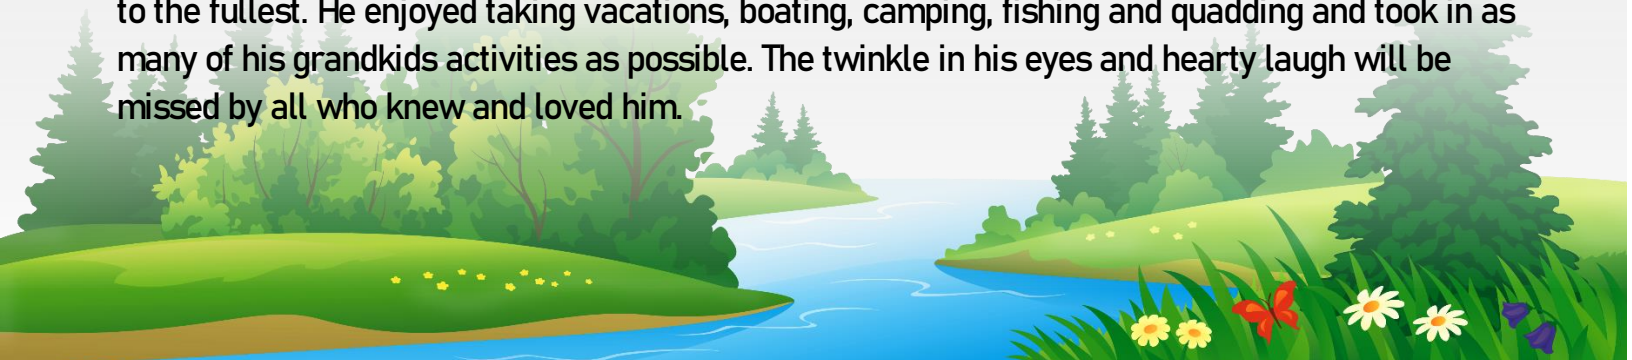

Alvin was predeceased by his parents Edwin and Bertha Senft; father and mother-in-law John and Mary Schwitzer; brothers-in-law: Richard Schwitzer, Leo Schwitzer, Darwin Schwitzer and Phil Rusu and sisters-in-law Lorna Rusu and Jeanette Munroe.

He is survived by his wife Diane; children Colin (Corrin) and their children Skylar, Karsten, and Kage; Trent (Cheri) and their

children Koen, Keaton and Nyah; brother Darhl (Josie) Senft; sister Loretta (Murray) Huber; brothers-in-law: Don (Janice) Schwitzer, Jack (Heather) Schwitzer and Jim Munroe; sisters-in-law: Marg (Bill) Topp, Linda Schwitzer, Pat Schwitzer, Sylvia Schwitzer, Ruth Schwitzer and Bev Schwitzer as well as numerous nieces, nephews and cousins.

Alvin attended Balrobie country school until 1957, finishing his education at Lipton High School. He entered the work force and was employed by many retail jobs before entering basic training for the RCMP. He soon found out this career was not suited to his personality. He moved on to a job at Regina Piano & Organ, taking a transfer to Brandon, then to Lethbridge managing their stores. Returning to Lipton in 1976, he worked briefly for the R.M. of Lipton before starting with K & S Construction. His last job was with the Village of Lipton where he worked for 35 years, while farming with his dad and son Trent for 11 years, retiring in 2015.

Alvin married Diane Schwitzer in 1971. They had their sons Colin in 1972 and Trent in 1977. He took pride in his growing family with the addition of his daughters-in-law Corrin & Cheri and 6 grandchildren: Skylar, Koen, Keaton, Nyah, Karsten & Kage. Alvin loved his family and living life to the fullest. He enjoyed taking vacations, boating, camping, fishing and quadding and took in as many of his grandkids activities as possible. The twinkle in his eyes and hearty laugh will be missed by all who knew and loved him.
