# Lipton Curling Rink Ice Plant Donation

The Lipton Curling Rink would like to thank Prairie Co-op for their gracious donation towards our rink ice plant repair. We still have a lot of fundraising needed to complete this repair. Please watch our Facebook page and your mailbox for upcoming fundraising opportunities.

**Want to own a  
PIECE OF THE LIPTON  
CURLING RINK?**

Help us raise the necessary funds to repair the ice plant and get the doors open again!

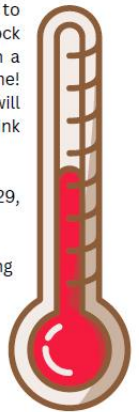

As you may be aware, the Lipton Curling Club has been faced with a major repair to the ice plant. Current quotes for repair range in price from \$65,000 - \$112,000 and we will not be able to open our doors this season. A portion of the required funds have been secured by the generous donations from our local Prairie Coop. This still leaves us with a substantial amount of money to be raised and we are asking for your help to open for the 2024-2025 curling season.

We are offering you or your business the unique opportunity to 'own' a piece of our curling rink! We will be selling curling rock handles! For a nominal fee of \$250, your name will be put on a curling rock handle. Imagine being the winning rock in a close game! Larger donations are also greatly appreciated, and all donations will be recognized on a project sponsorship sign in the lobby of the rink for all to see.

Purchases of a handle and donations made before February 29, 2024, will be issued a tax receipt for the 2023 tax year.

We appreciate your willingness to help re-open our beloved curling rink for next season. If you have any questions, please reach out to any of the board members listed below.

**YOUR DONATIONS ARE  
GREATLY  
APPRECIATED**
