

# Village of Lipton

February 2021

---

## Around the Village

- The **Lipton Trading Post** is open for visitor's and venders. Don't forget to check it out! Located on Main Street right here in Lipton. Supporting local helps everyone!
- Snow removal - when removing snow **DO NOT** place it back on the street, make piles that hinder traffic, create sight issues or move to an area that is not designated for snow. If you have concerns or questions about where snow can be moved please call the office at 306-336-2505. Managing snow now means the melt and run-off will be easier come spring.
- Utility bills are sent out monthly and are due by the end of that month.
- Assessment notices will be coming out soon. If you receive one and have questions please contact the office. We will do our best to answer your questions.

## WHAT'S NEW

---

### SGI GRANT

We are pleased to announce we have been approved for the SGI Grant. This grant will go towards radar signs for both entrances into the Village. We hope this will slow down traffic if they know just how fast they are going through the 50 Km zone.

### MEETINGS

Village Meetings every 1<sup>st</sup> and, if needed, 3<sup>rd</sup> Wednesday of the month.

Fire Meetings - last Thursday of the month.

- Dogs and cats need to be cared for and remain on your own property. Please do not let them roam the village and cause issues for other residents and have them on a leash when walking.
- Make sure you check out the walking paths out at the sports grounds! More ways and areas to get your exercise in and a different view than just the streets. Winter is glorious and this is another way to enjoy it.
- The Town Office will be **closed** February 15<sup>th</sup> for Family Day!
- The Office will also be **closed** Friday, February 5<sup>th</sup> and 19<sup>th</sup> for the regularly scheduled alternating Friday closure.
- Want to see something listed in our Newsletter? Email [lipton@sasktel.net](mailto:lipton@sasktel.net)
- Audit season is now upon us and we are asking for all sub groups in the Village to provide their financial reports and minutes to the office. Please have them in by Feb 26<sup>th</sup>.

## Report Suspicious Behavior

If you see suspicious behavior please report it to the Fort Qu'Appelle RCMP to investigate. They may just come and see if everything is okay but it is better to be safe than sorry. We all need to be mindful and watch for each other.

**Fort Qu'Appelle Detachment 306-332-2222**

**911 for Emergencies**

Do you have an event happening in Lipton? Maybe you would like to give a shout out as a recognition to someone? A good deed or help that was provided?

Let us know and we can make them famous in our Newsletter!

# Fun Facts:

1. The oldest unopened bottle of wine was found in a Roman tomb that is over 1,650 years old.
2. The popular LMFAO group who created the viral hit, *Party Rock Anthem*, is made up of an uncle-nephew duo.
3. It's not just humans who are right or left-handed. Most female cats prefer using their right paw and males are more likely to be left-pawed.
4. When Shakira was in second grade, she was rejected for the school choir because her vibrato was too strong. The music teacher told her that she sounded like a goat.
5. Per capita, the happiest countries in the world also rank highest in terms of consumers of antidepressants.
6. Adult cats only meow at humans, not other cats. Kittens meow to their mother but once they get a little older, cats no longer meow to other cats.
7. You can't hum while holding your nose.

# Ground Hog Day

February 2, 2021

Ground Hog Day is a popular North American tradition observed in the United States and Canada on February 2. It derives from the Pennsylvania Dutch superstition that if a groundhog emerging from its burrow on this day sees its shadow due to clear weather, it will retreat to its den and winter will persist for six more weeks; but if it does not see its shadow because of cloudiness, spring will arrive early.

What is your guess for this year?
