ORDERS DUE AUGUST 16th

Lipton Volunteer Fire Dept.

Sitting under the stars by a crackling fire has its appeal. It's where stories are told, sing-a-longs happen, and meals are cooked over an open flame.

Campfires bring family and friends together. But campfire mishaps can cause injuries. With a few safety tips, you can prevent these accidents.

SAFETY AROUND THE FIRE

- If campfires are permitted, they need to be at least 25 feet away from any structure and anything that can burn.
- Clear away dry leaves and sticks, overhanging low branches and shrubs.
- Avoid burning on windy, dry days.
- Watch children while the fire is burning. Never let children or pets play or stand too close to the fire.
- Attend to the campfire at all times. A campfire left alone for only a few minutes can grow into a damaging fire.
- Keep a campfire small.
- Never use gasoline or other flammable or combustible liquids.
- Always have a hose, bucket of water, or shovel and dirt nearby to put out the fire. Make sure to put it completely out.
- Treat a burn right away. Cool the burn with cool water for 3 to 5 minutes. Cover with a clean, dry cloth. Get medical help if needed.

ALL IT TOOK WAS A
GOOD NIGHT'S SLEEP!

The locations for disposing of trees/branches and grass/leaves are marked out on the map below. Please be sure you are dumping these items in the appropriate locations.

The tree pile is not for lumber.

Please do not dispose of concrete or rock without permission of the Village

We also ask that you do not place any loose garbage in your bins, and limit the weight of your bags to 25 lbs.

FOR THE LAST TIME, BLOWING
ON IT IS NOT HELPING!

WHEN IS A BUILDING PERMIT REQUIRED?

- New building construction garages, carports and boat houses
- Pole buildings (post-frame) or log buildings (must be designed under NBC Part 4)
 - Decks or raised platforms with any walking surface over 600 mm (24") above grade
- RTM, modular or manufactured/mobile homes (mobile homes are now called modular homes)
- Renovations or alterations affecting structural members or life safety (egress windows for bedrooms)
- Addition to an existing building
 - Basement development in a dwelling
- Secondary suites (cannot exceed 80 m²) (860 ft²)
 - Accessory buildings, greenhouses, or gazebos greater than 10 m² (107 ft²)
 - Sunrooms (wood-framed and manufactured enclosures)
- Fireplaces and wood stoves
- Retaining walls (if their collapse could affect a structure or are built near a property line)
- Foundation repair or replacement
- Roof repair or replacement
- Solar panels (roof mount) and ground mount panels if built near a property line
- Change of building use or occupancy type
- Tenant/leasehold improvements in commercial buildings
- Temporary buildings or structures (fabric buildings/construction trailers/bleachers etc.)
 - Relocation of an existing building
- Work to remedy an unsafe condition or fire official's order
- Demolition of an existing building

BUILDING PERMITS ARE NOT USUALLY REQUIRED FOR:

- Fences
- Driveways, sidewalks and parking lots
- Cosmetic upgrades or replacement not affecting structural or life safety
- Accessory buildings, greenhouses, or gazebos not greater than 10 m² (107 ft²) in area
- Some farm buildings (varies by rural municipality - check local municipal bylaws)

Contact PBI at (306) 536-1799 or
office@pro-inspections.ca
if you have any questions.
