# Fun Facts

The tradition of decorating Christmas trees began in Germany in the 1500s. The first printed reference to a Christmas tree was in 1531.

The tallest natural Christmas tree ever displayed was a 221-foot Douglas fir put up in Seattle in 1950.

Rudolph the Red-Nosed Reindeer was created in 1939 by a department store (Montgomery Ward) as a promotional booklet for children.

Jingle Bells was originally written as a Thanksgiving song and was the first song broadcast from space in 1965.

The image of Santa Claus, with his red suit and white beard, was popularized by Coca-Cola advertisements in the 1930s. Santa is based on Saint Nicholas, a 4th-century bishop known for his generosity.
